

**WARRANTY REGISTRATION**

To register the warranty agreement, vehicle owner (You) must send a copy of the warranty registration form to: Engine Doctor Registration; 5170 Division Ave S; Grand Rapids, Mi 49548. The warranty Registration form must be submitted within 15 days of the date engine/vehicle is delivered to the vehicle owner.

COVERAGE SECTION

Terms of Coverage: (refer to your warranty registration form to determine your plan)

Deductible - \$100.00 deductible applies to all claims.

1 Year Protection Warranty - Coverage begins on the date the engine/ vehicle is delivered to the owner. Coverage will extend for 12 months 12,000 miles (which ever comes first) following the date the vehicle is delivered to the owner.

3 Year Protection Warranty - Coverage begins on the date the engine/ vehicle is delivered to the owner. Coverage will extend for 36 months following the date the vehicle is delivered to the owner, without mileage limitations.

ENGINE/ VEHICLE COVERAGE & EXCLUSIONS

Coverage is provided for privately owned gasoline powered passenger car & light truck engines only. Engine size must not exceed 8 cylinders. Diesel, Natural Gas & other non-gasoline engines are not covered. Turbo equipped engines are not covered. Coverage is provided for original equipment (O.E) specification stock replacement parts/ components and excludes performance enhancements rv/torquer camshafts and high volume oil pumps which will be covered. Light trucks are limited to a one ton rating.

WHAT IS COVERED

Coverage includes reasonable and customary costs to repair or replace any covered listed in this Limited Warranty, includes parts, labor, & fluids if required due to a Mechanical Breakdown. A Mechanical Breakdown is defined as a failure of a covered part or faulty workmanship as originally supplied by the engine builder. This Limited Warranty does not include coverage for gradual reduction in operation performance due to wear and tear. You must maintain the engine in accordance with the requirements outlined below to keep the Limited Warranty in force. If requested, evidence of proper service must be provided in event of a claim.

COVERED PARTS

All internal lubricated parts including: pistons, pins, piston rings, connecting rods, crankshaft, rod bearings, main bearings, oil pump, timing gears, timing chain or belt, timing tensioners & dampers, camshaft, cam bearings, followers, lifters, push rods. The engine block is also covered if damaged by the failure of a covered internally lubricated part. The cylinder heads and related components including rocker arms, rocker shafts & bushings, valves, valve springs, guides, seats are also covered if the cylinder head(s) and/ or failed component(s) were replaced or renewed at time of the engine rebuild. All gaskets and seals that were installed as part of the engine rebuild as covered for a period of 12 months or 12,000 miles date of engine/ vehicle is delivered to vehicle owner. Coverage includes fluids (oil, oil filter, coolant) when required as part of a covered repair. All part replacement will be made with like kind and quality and may be made with appropriately rebuilt or reclaimed parts by authorization of the administrator.

SERVICE ADVISORY

To ensure full benefit from this Limited Warranty, we strongly suggest periodic inspection of non-covered vehicle systems critical to the life expectancy and performance of the engine. Therefore, along with the oil/filter changes outlined below, we recommend periodic inspection of the vehicle's cooling system, radiator, hoses, thermostat, cooling fan, fuel system and all drive belts. Damage resulting from these non-covered vehicle systems & maintenance items will not be covered by this Limited Warranty. Please refer to the Maintenance Requirements section listed below.

TOWING COVERAGE

This is only good with the 3 Year Protection Limited Warranty Includes a limited towing provision during the term of the warranty. If towing becomes necessary due to a breakdown of a covered part, a limited towing reimbursement will be provided. Towing Charges will be covered and reimbursed up to \$75.00 per covered breakdown. You must provide the Administrator with a valid receipt from a commercially licensed towing company to receive reimbursement.

RENTAL VEHICLE COVERAGE

This is only good with the 3 Year Protection Limited Warranty includes a limited rental car provision during the term of warranty. In the event of a breakdown of covered part a limited car rental reimbursement will be provided. You will be reimbursed for a rental car at a rate up to \$35.00 for every eight (8) hours, or portion thereof, of labor time to complete a covered repair to a maximum of \$210.00 per covered breakdown. A minimum of 8 labor hours is required to qualify for a rental car. Labor time required is determined from the national repair manual in use by the repair facility. You must provide the Administrator with a valid receipt from a commercially licensed rental car company to receive reimbursement.

WHAT IS NOT COVERED

- Any Mechanical Breakdown occurring outside the term of the warranty.
- Any repair not first authorized by the Administrator
- Any vehicle used commercially or registered to a business or government agency
- Any repair required because of collision, abuse, overheating or operation without proper lubrication or coolant, improper fuel supply/adjustment, racing, accidents, fires, floods, riot, acts of god, vandalism, upset, theft or lack of proper maintenance.
- Any loss or expense if the odometer has been tampered with, altered or is inoperative.
- Any repair for the purpose of correcting the engine compression or oil consumption when a mechanical breakdown has not occurred.
- Any gradual reduction in operating performance due to wear and tear.
- Any damage to non covered part(s) caused by covered part(s) failure or any damage to covered part(s) caused by non-covered part(s).
- Any covered part or non-covered part which has not failed but which a repair facility recommends or requires to be repaired or replaced.
- Any routine adjustments and/ or tune-ups.
- Any loss caused by towing a trailer exceeding the manufacturers's recommended towing specifications.
- Any vehicle over one (1) ton capacity.
- Any mechanical breakdown outside the United States.
- Any identified and specifically excluded engine/vehicle.

MAINTENANCE REQUIREMENTS

To ensure full benefit from this Limited Warranty the warranty provider recommends periodic inspection of those service items critical to the life expectancy and performance of the engine. Along with normal servicing and inspection, You must have the engine oil and oil filter changed ever three (3) months or 3,000 miles, which ever comes first. 10W30 Engine oil must be used! You are obligated to keep original receipts and work orders showing the date and mileage when services were performed. If you perform your own oil changes, you must keep all oil and oil filter receipts and an oil change log including date and mileage at which oil and oil filter were changed. If requested, evidence of proper service must be provided in event of a claim.

LIMIT OF LIABILITY

The total of all benefits paid or payable under this Limited Warranty shall be the price You paid for the engine and installation, not exceeding \$3,000. If the engine was not installed by a certified technician and/or licensed repair facility, the limit of liability will be the price You paid for the rebuilt engine, not to exceed \$2,500. Coverage on these engines will include engine repair costs only (no engine removal and/or reinstallation costs) and the engine must returned to Engine Doctor, Inc facility for warranty review and repair. In all cases, claim analysis and covered repairs must be conducted by an Administrator approved and certified repair facility. The Administrator reserves the right to move the engine/vehicle to an alternate repairing facility. The engine/vehicle transport costs, if any, will be the responsibility of the warranty provider. Any liability for incidental and consequential damage including, but not limited to property damage, damage to a non-covered part(s), lost of use, repair delays, loss of time, inconvenience and commercial loss resulting from the operation, maintenance or use of the described engine or a breach of any implied warranties arising from operation by las, is expressly excluded.

DISPUTE RESOLUTION AND ARBITRATION

All claims or disputes relating the this Warranty Agreement shall be decided binding arbitration unless You and Engine Doctor, Inc agree otherwise. Arbitration shall be specifically enforceable under the prevailing arbitration law. Engine Doctor, Inc agrees to use one (1) arbitrator, mutually acceptable to You and Engine Doctor, Inc. Written notice of the request for arbitration must be filed with Engine Doctor, Inc with in a reasonable time after the claim or dispute has arisen, but not later then one (1) year after the claim or dispute has arises. The award rendered by the arbitrator shall be final and judgment may be entered upon it in accordance with the applicable law in any court having jurisdiction.

If You have any legal claim against Engine Doctor, Inc and do not agree to arbitration , You agree that any action, claim, suit shall only be brought in the District Court, Kentwood, Kent county, Michigan. If you bring any such action, claim, or suit against Engine Doctor, Inc in any other court or forum other then the District Court, Kentwood, Kent County, Michigan, Engine Doctor, Inc can seek dismissal of Your action, Claim, or suit and require the it be maintained in Kent County , Michigan.

IN THE EVENT OF A BREAKDOWN

If a breakdown occurs, Contact the Administrator, at 1-877-876-5564 for assistance and authorization prior to proceeding with any repair.

Please remember that unauthorized repairs are not covered. Evidence of proper service must be provided, if requested, in event of a claim. You must assume all liability for inspection and/or tear-down costs for non-covered part(s) and all unauthorized repairs.

TRANSFER OF WARRANTY

This agreement is transferable, one time only, to a second owner upon payment of a \$50.00 transfer fee to Engine Doctor, Inc. Transfer fee must be received by Engine Doctor, Inc 30 days of vehicle sale.

This is a non-insurance warranty provided and administrated by Engine Doctor, inc. WWW.ENGINE-DOCTOR.COM
